## Unit Sequencing

The sequencing of units listed on your Course planner depends on unit availability, pre-requisite requirements and the semester in which you commenced your course. Changes to this planner may extend the duration of your course. Please speak to your Course Coordinator/Academic Director to plan your course.

*Students should complete no more than 150 credit points (normally 12 units) at Introductory Level (i.e. ABC1XXXX).*

## How to use your course planner

The units in your planner are colour coded to assist you with mapping out your studies. Refer to the boxes below for an overview of your course requirements. Once you successfully complete a unit, under the **"Completed"** column, tick "**Yes**". Your course planner gives you a comprehensive overview of which units you have completed and which units you have remaining to complete. You will also be able to see if you meet the requisites before you enroll in your next unit/s.
