Diploma of Screen and Media CUA51020 - Animation Stream

The **Diploma of Screen and Media** focusing on Animation provides a dynamic, creative and technical approach to the production of animation content for the screen and media industries. Students learn pre-visualisation and story boarding techniques, and production processes for animation, including 2D and 3D animation and special effects. The course offers hands-on learning in a collaborative environment, leading to the development of individual portfolios.

Course Information

Intake: VET Mar Intake
Start date: 28th February 2022
Location: Hawthorn Campus
Duration: 1 year full-time

How to use your course planner

Refer to the below guide to help you work out the correct units to enrol into for each teaching period. The units in your planner are colour-coded to assist with mapping out your studies over the duration of your course

Course Information

Core units

A set of 4 compulsory units you **MUST** complete as part of your Course.

Elective units

A set of 11 elective units you **MUST** complete as part of your Course.

Practical placement
Is not a requirement of this course.

How do I enrol into units online?
For help on how to enrol in units on your Study Plan, please refer to our **online help guide**.

When do my classes start?
Classes for units will commence in the week of **28th February 2022**.

How do I get recognition for my existing qualifications or experience?

Learn more about **Advanced Standing (Academic Credit)**.

Do I need any special equipment?
To engage fully in your studies, you are required to purchase or access equipment and technologies. Please refer to **Course Structure**.

Where can I find more information about being a Swinburne student?
Our **Current Students webpage** contains information about managing your course, financials, results, graduations, student support, student services, life on campus and additional learning opportunities

Where can I find more information about course costs/fees?
Our **Fees website** contains information on course fees, including a handy fees calculator, the types of Government assistance available, details on how to make a payment, payment due dates and more.

Pathways to future study
Pathways allow you to progress from one qualification to another where the first course is recognised as an entry requirement and/or provides advanced standing. You can take advantage of pathway arrangements from one Swinburne course to another or benefit from study completed at another institution. Pathway options may be subject to academic performance. Learn more about **pathways**.

What if I have any other questions?
For further assistance please contact **studentHQ**.

Units are subject to change and may not be timetabled every Teaching Period
