Advanced Diploma of Screen and Media
CUA60620 - Animation Stream

The **Advanced Diploma of Screen and Media** focusing on Animation provides a range of skills in creative and technical applications of motion graphics and animation. Students learn about production processes and industry practices for 2D, 3D, visual effects and other forms of animation. The course is designed to equip students with job-ready know-how, practical skills and critical and creative thinking experience in preparation for a career in screen and media production.

How to use your course planner

Refer to the below guide to help you work out the correct units to enrol into for each teaching period. The units in your planner are colour-coded to assist with mapping out your studies over the duration of your course

Course Information

Core units

A set of 4 compulsory units you **MUST** complete as part of your Course.

Elective units

A set of 12 elective units you **MUST** complete as part of your Course.

Practical placement
Is not a requirement of this course.

How do I enrol into units online?
For help on how to enrol in units on your Study Plan, please refer to our **online help guide.**

When do my classes start?
Classes for units will commence in the week of **27th February 2023.**

How do I get recognition for my existing qualifications or experience?
Learn more about **Advanced Standing (Academic Credit).**

Do I need any special equipment?
To engage fully in your studies, you are required to purchase or access equipment and technologies. Please refer to **Course Structure.**

Where can I find more information about being a Swinburne student?
Our **Current Students webpage** contains information about managing your course, financials, results, graduations, student support, student services, life on campus and additional learning opportunities

Where can I find more information about course costs/fees?
Our **Fees website** contains information on course fees, including a handy fees calculator, the types of Government assistance available, details on how to make a payment, payment due dates and more.

Pathways to future study
Pathways allow you to progress from one qualification to another where the first course is recognised as an entry requirement and/or provides advanced standing. You can take advantage of pathway arrangements from one Swinburne course to another or benefit from study completed at another institution. Pathway options may be subject to academic performance. Learn more about **pathways.**

What if I have any other questions?
For further assistance please contact **studentHQ.**

Units are subject to change and may not be timetabled every Teaching Period
