 - Go part-time to manage the study load better
 - Continue studying full time with ongoing counselling and student coach management.
- Discuss your goals and inspirations
 - Why are you taking this course? What are your career goals? If you have completed many units successfully, it can be worthwhile mentioning this, to demonstrate that you are capable of being a successful student. Essentially, demonstrate your passion for the course and Swinburne.

5. SUPPORTING DOCUMENTS (EVIDENCE)

Your application is strongest when supported by evidence. Try and get evidence to support the claims that you have made in your application. Attempt to cover all points raised, where possible.

Types of evidence you can utilise:

- Appointment confirmations
- Administration forms e.g. change of course or dropping of a unit
- Copy of house lease
- Letter from medical professional e.g. GP, counsellor.
- Death certificate
- Statutory declaration (these are written statements that are legally binding. This is useful for when you do not have any other evidence)
- Work documents e.g. contracts, letters from employer, timesheets
- Police reports

What if I can't get the supporting documents before the show cause submission is due?

As a general rule it is best to obtain evidence by the due date. In exceptional circumstances, you may not be able to do this. In these rare cases, try and organise it ASAP and advise when it will be available in your application.
