

Our Project Management program

Australian Graduate School of Entrepreneurship

swinburne.edu.au/agse

Be the cutting edge

In 2001, Swinburne University of Technology founded the Australian Graduate School of Entrepreneurship (AGSE). This makes us Australia's first dedicated entrepreneurship school. We see disruption as an opportunity. And that's the mindset we teach.

Get exclusive access to Swinburne's vibrant entrepreneurship community, which includes the Innovation Precinct, and take advantage of its workshops, masterclasses and Accelerator Program – kickstart your business idea while you study!

Building on Swinburne's longstanding practice of real-world leadership, the curriculum in each AGSE degree is co-created with industry leaders. On top of that, you'll get the best of two worlds: industry practitioners, known as pracademics, teaching alongside Swinburne academics.

The practical application of your learning experience is further emphasised with industry speakers, on-site events, real-life case studies, and guest lecturers from industry and academia.

You'll be building new networks from your first day.

**#1
MELB**

Master of Project Management

Learn to deliver projects with excellence and confidence. Tailored to your ambitions and characterised by close mentorship from industry experts, a Swinburne Graduate Certificate or Master of Project Management prepares you for success across multiple industries. Courses cover a comprehensive skillset, from cost control to ethics, employee management to strategy, all through an entrepreneurial lens. Enjoy international recognition of your qualification thanks to International Project Management Association and the Australian Institute of Project Management (AIPM) certification. Lean Six Sigma Green Belt Accreditation is also included as part of the Master program.

Who you are

Not everybody has what it takes to step up into the management and delivery of large, complex projects – but you’re not everybody. You feel you have a lot to contribute to innovative project work, and want to achieve great things for your chosen industry, society as a whole, and yourself. This is the logical next step in your trajectory, and the time has come to take it.

Where it can take you

Swinburne’s postgraduate courses open doors far and wide. Internationally recognised and tailored to appeal to employers and entrepreneurs alike, these are qualifications that lead to high-paying, exciting and hugely satisfying careers. You will be able to flex your knowledge and skills across a range of industries, with the ability to problem-solve, manage teams, and steer organisations like a true leader.

Entry requirements

Complete in 2 years, full time or equivalent part-time, if you have

- Any recognised bachelor degree (or higher award). If you have additional qualifications, you may receive Advanced Standing and complete in less than two years, or
- Finished Postgraduate Qualifying Program (international applicants only).

Complete in 1.5 years, full time or equivalent part-time, if you have

- A bachelor degree or graduate certificate in a related discipline, or
- A bachelor degree (or higher award) in any discipline plus two years’ work experience, or
- Finished Postgraduate Qualifying Program (international applicants only) plus two years’ work experience or two years’ of higher education.

Complete in 1 year, full time or equivalent part-time, if you have

- Finished Graduate Certificate of Project Management, or
- An honours bachelor degree in a related discipline.

Course duration

Course duration depends on prior study and experience: 2 years (16 units); 1.5 years (12 units); 1 year (8 units) full-time or equivalent.

Course structure

Foundation units

Students to complete all 4 foundation units from the list below.

INF60007	Business Information Systems
INF80042	Governing Technology for Business Environments
MGT60042	Business Sustainability and Social Impact
MGT60043	Future Management Skills

Core units

Students must complete all 8 core units from the list below.

INF70005	Strategic Project Management

Specialisation or elective units

You must also complete 50 credit points (mostly 4 units) as your specialisation, or as your electives. There are almost 80 elective units to choose from.

Dr Mohsin Malik
Course Director

“The Master of Project Management is for those who want to develop skills and knowledge to work on complex projects with high stakes involved. Our teaching staff are the discipline thought leaders and they use experiential learning to develop your personal strengths and hone professional skills in the advanced project management topics and latest methodologies and tools. You would also gain Australian Institute of Project Management (AIPM) and Lean Six Sigma Green Belt certifications as a testament to your job-ready sets of skills which would improve your employability.”

Supply Chain Innovation

This specialisation uniquely combines supply chain management, design thinking and data analytics. Plus, you could add a Lean Six Sigma Green Belt to your qualifications. Most units are co-created and, in some cases, co-delivered with industry partners. Choose four units.

INF70008	Business Analytics and Visualisation
SCM60002	Six Sigma Lean Green Belt
SCM60003	Supply Chain Management
SCM60004	Logistics Management
PRM60002	Project Management for Innovative Outcomes
SCM60001	Operations Management

“Swinburne was my personal choice since it is internationally recognised and has strong links with many industries. Swinburne offered me quality education with face-to-face tips and guidance from industry CEO’s and practitioners. I had the best time learning with my professors and classmates who were project managers and businesspeople themselves. Studying at Swinburne pushed me to the limits and facilitated meeting and collaborating with people from different walks of life.”

Maximo Putolan
Master of Project Management
