# **Guidelines for Registered Practitioner Statement**

Swinburne University of Technology appreciates you taking the time to help our student assess the impact of their illness or injury. The information you provide here will ensure that the assessment process is fair and equitable.

These guidelines have been written to assist you, as a medical/health practitioner, to understand the purpose and use of the university's Registered Practitioner Statement in the special consideration process.

The purpose of special consideration is to give a student, whose work for a particular piece of assessment has been adversely affected by an extraordinary event beyond their control, a further opportunity to demonstrate their ability.

# 1. Use of the Registered Practitioner Statement

This statement is included in the application that a student submits to Swinburne for special consideration. It will allow Swinburne to verify the student's claim and to determine the form of consideration to be given based on the student's circumstances.

The information you supply on this document will be available to those staff who need access to it in order to carry out their duties in accordance with Swinburne's privacy policy.

# 2. What is special consideration granted for?

Special consideration is granted to a student in circumstances of acute illness or condition, or an extraordinary circumstance which has directly impacted their ability to perform an assessment task.

Please be aware that Swinburne has a variety of support services available for students who may be experiencing chronic illness or disability. They include AccessAbility Services (for assessment and examination adjustments) and Swinburne Health Services (for counselling and psychological services and general medical treatment).

## 3. What information must a Registered Practitioner Statement include?

The Registered Practitioner Statement must include:

- a. The practitioner's name, contact details, provider or registration number and signature
- b. The date of the consultation
- c. An **evaluation** by the practitioner, psychologist, etc. of the duration and degree of impact on the student's ability to attend classes, study or complete assessment requirements
- d. The date the statement was written and signed.

The Registered Practitioner Statement is to be completed by a registered medical/health practitioner within the scope of their practice, who is not a family member and does not have a close or personal relationship with the student.

Please issue the statement in line with guidelines provided by your professional association and only in respect of an illness, injury or extraordinary circumstances that you have observed. Please do not provide **post-dated statements**, as these will not be accepted by Swinburne.
